

first of January. More later concerning this field. Suffice to say the members and community are harmonious and prospects good for the cause. Some excellent people in this congregation.

Listie Pa.—Began a series of meetings last night. Good congregation and expect a good meeting. A pleasant church to work with. We earnestly pray for an ingathering. We believe the harvest ripe. The Listie church entertains the Quarterly Bible Conference in Nov. our series of meetings merging into it, closing with a love-feast, Nov. 7. Surrounding classes take notice and come over. See announcement else where in EVANGELIST.

Spiritual Gleaming

Since our last report there has been one baptism and two by relation from the G. B. Brethren at Loree. The church is moving along nicely at Corinth. The out look is encouraging or at least we are looking and praying that way. They have passed thru some dark hours, yet the faithful are still trusting and praying for a bright future believing that all things work together for good to them that love him. At College Corner we feel much encouraged. While we have not been able to report many accessions yet the church seemingly has put on new life and is working together in harmony. They have painted the brick house in side and out and have put up a bellfry and a new bell and that tolls every Sunday morning, calling them to Sunday School and we expect by the grace of God and the earnest work of all to make it an evergreen School and that will be something new for them and those who have not visited College Corner recently will hardly know the place. With these improvements in the work we hope to be able to give a good report during this conference year as we will continue with these three congregations another year. We ask the prayers of the general brotherhood in our behalf that God may abundantly bless us. On last Sunday at 2:30 in afternoon we had the pleasure of meeting with the Brethren and Sisters at the Poplar Grove Church and preached for them. I enjoyed the visit very much. They have a nice church house. This is one of Brother Summer's charges. May the Lord bless them. I am much pleased with Brother Holsinger's book and believe it should have the hearty support of the entire brotherhood. Now I want to say a word about our publishing interest. Brother pastors and agents, let us all push their work. Brother Gnagey is doing his best and we have a paper that is second to none, with good S. S. Literature. In conversation with a brother of an other denomination not long since he said we had one of the best church papers that was published. Then let us make a greater effort to get it into all the homes in the brotherhood. I was surprised not long since a brother said our pastor never says any thing about the paper. This ought not to be. God bless his cause every where.

After quite a long silence we concluded that we had better break the silence ere it becomes painful. While we have not been heard thru the EVANGELIST, we have nevertheless been busy about our Father's business. The heated term of Summer is now over with the regular services and its conferences resting in the hands of Him who doeth all things well. And now we are contemplating our Fall and Winter work, and find it no little task to arrange for the holding of three protracted meetings, one in each of our charges. We expect to have help in each of the meetings and are endeavoring to secure some one to help in the work. The church here has called me to serve them another year. My third pastoral year closes here November 20th and we will begin our fourth year at once, hoping that we may have the united assistance and prayers of the whole brotherhood in our work. We received a sister into our church here last Sunday by letter, she coming from the German Baptists of Troy, Ohio. The church here

at present is putting itself in better condition for work, and we pray that the spirit of union will continue to complete its perfect work that we may soon learn the time honored maxim that in "union there is strength." If there is a will then God provides a way to victory. Then let us cultivate the will by surrendering our will to His will. Yet we must say that the church here is I believe, on an average with the churches of the brotherhood; that while we are doing some good we might do much more, and it shall be our aim to cultivate this spirit of universal brotherhood among our people.

Gretna, Ohio. The church here has kept up its general attendance better this year than ever before and the Sunday school has been well attended. The S. S. C. E. has maintained its organization also, as has the weekly prayermeeting which are all needful auxiliaries to the successful church and therefore we may and do expect good results from them in our work this Winter. The Gretna church is in earnest with her work with a good force of workers.

Maple Grove, Indiana. We have been working with these people since last April and must say that they are strictly progressive in all their church work. I enjoy working among these people. The regular services are well attended. They too have an evergreen Sunday school, S. S. C. E. and King's Children society all at work and they all, or about all, work and that means victory. There will be communion services there on Sunday evening, November 3. A general invitation is extended. We are looking forward with large expectations to our revival meetings this winter so we say to all pray for our success.

Our feast west of Mulhall was a success in every way. Those brethren who were not there missed a grand feast. Some good work was done. Our young brother Jacob Bowersox was put to the ministry of the word. And a young brother Joseph Baker elected to the deacon's office.

Three places for regular preaching were established, and a board appointed to manage the home-mission work. Our treasurer was ordered to forward first payment of per capita tax for the District of Kanamorado.

McKinley Memorial Picture.

(COPYRIGHTED.)

There is ONLY ONE MCKINLEY MEMORIAL PICTURE WHICH SELLS. There is no other. One reports 102 sales in one day, profit \$15.30; another 75 sales in 5 hours, profit \$11.25. Size 16 by 20. At the top of the picture is a pure white dove with extended wings. Beneath are the words engraved, "Not Lost but Gone Before." In the center is a picture of the late President, WILLIAM MCKINLEY, from one of his most recent PHOTOGRAPHS; also miniature representations of the TEMPLE OF MUSIC where he was shot, and THE MILBURN RESIDENCE where he died. On either side and extending in the distance are represented the courts of the New Jerusalem. The innumerable columns of white marble seem to extend into infinite space, giving a faint idea of the immensity of that beautiful Golden City. The angels and archangels are flying hither and thither and sounding their trumpets. Little innocent children are there, and all is white, pure and holy. Beneath is a collection of charming flowers, white lilies, etc. Underneath is a printed tablet, giving name, date of birth, assassination, death, and other particulars of our late beloved and much lamented President, together with his last words. On one side is a cross, which the departed Christian has laid down; on the other is a crown which he will wear in triumph in that beautiful city where there will be no more crosses or suffering, no more tears and partings. Underneath all is a marble slab with several quotations from Holy Scripture. Elsewhere are scattered about this picture many other beautiful features—flowers, drapery, etc. This beautiful picture should find a place in every home. It is the most rapid seller ever offered to the public thru agents in this or any other city. Full size sample mailed for 25c, 9 for \$1, 100 for \$9.50. Picture actually worth \$1.
